HIGH SCHOOL TRANSCRIPT FOR INDEPENDENT HOME SCHOOLERS

You recently indicated that your student has been home educated at the high school level prior to seeking admission at Christian Liberty. Therefore, we are sending this home transcript packet to assist you in providing the information necessary to process your enrollment. It contains the following items:

Independent Home School Course Information – This form is used in conjunction with the *Transcript of Course Credit* to determine your student's academic qualifications for admission. Make sure this form is **filled out neatly, accurately, and thoroughly** as demonstrated on the enclosed sample. Failure to include some details may result in added communication from CLASS and delay the shipping of your student's books. If your student was home schooled for multiple high school grade levels, each grade level must be on a separate sheet.

Transcript of Course Credit – This is your **official record** of all high school level, home school courses taken prior to enrolling with CLASS. This document should be typed or neatly printed; it will become part of your student's permanent record. A copy will also be included with our transcript when college or scholarship requests are processed.

Both the *Independent Home School Course Information* and the *Transcript of Course Credit* are **required** before we can assign your curriculum; they constitute (with the placement/achievement test and any other high school transcripts) the academic qualifications for admission into grades 10–12. If your student does not qualify for the requested grade level, we will communicate with you regarding your student's options.

These forms may be photocopied or precisely recreated on your home computer. You may also download them from our website at www.homeschools.org/enrolling/transferRequirements.html (see section entitled "Previous School Records").

Return these forms (with your enrollment application or placement/achievement test, if applicable) to the attention of the Enrollment Department. If you have any questions, please contact us.

Sincerely,

Transcript Department
